

# HELP THE ENVIRONMENT AND HELP HOMELESS PETS

## Turn Paper into Ca\$h for BARCS

The Baltimore Animal Rescue & Care Shelter (BARCS) has signed up with the Paper Retriever Program and now has a green and yellow recycling dumpster in the back of the BARCS building in the parking lot.

Papers placed in this container will be picked up and BARCS will receive a cash donation from Abitibi Corporation.

Please start recycling the paper in your office and home to place into our container and help the homeless pets of Baltimore City.
